Help Bring the World to Lac du Bonnet by showcasing our rich and diverse heritage

We have acquired from the Alvin and Elizabeth Tyndall family an old log structure that is ideally suited as our museum.

We need your support to preserve our past for present and future generations.

Be a part of the process by becoming a member, volunteering, and/or

supporting the project by making a cash donation.

Our museum will help bring economic growth to the community through tourism and heritage.

The Lac du Bonnet Museum, as a non-profit, relies primarily on the generosity of the community. Members are the solid foundation upon which a successful institution is built. Your membership ensures the Museum can produce new exhibits, plan exciting public programming and provide unique forums to discuss Lac du Bonnet's past, present and future.
