Museum Opening

bring in stories, photos, artifacts & questions and
meet **Warren Clearwater** amateur archaeologist

Sunday May 17th 12:00 - 3:00

"Welcome, our doors are open"

The Lac du Bonnet District Museum

is serving coffee and dainties, hosting a
membership drive, and welcoming new
volunteers.

**CPR
Railway Switch**

Manitoba Glass Works

Beausejour housed the
first glass container factory in
western Canada 1906 - 1914.
Glass blowers from Poland and
the USA used silica sand to
produce brewery, soft drink,
medicine, and ink bottles and
sealers.

Our museum has acquired
interesting glass shards
including whimsies, which
will be on display for 2015

BLOW POT

**Lithic and Ceramic
Indigenous Winnipeg River
prehistoric artifact display
dating back 7000 years**

THE "SHAND" COLLECTION

Repurposed "Plumbers Pot" used by Canadian bush aviation
pioneers as a necessary piece of winter aircraft equipment.
